

Dear Friend,

Greetings of the day from Fetal Medicine Foundation, India.

With pride & privilege we are pleased to announce the FETAL NEUROIMAGING CONFERENCE at Caravela Resort, Goa from 12th - 14th August 2022.

The scientific session planned, emphasises the importance of combining **fetal ultrasound with fetal MRI technology and genetic testing**, to provide complete diagnosis, prognosis and management options to the family.

The **pre-post conference workshop** includes Masterclass in Fetal MRI by Prof. Daniela Prayer, Masterclass in Fetal Brain by Dr. B. S. Rama Murthy and a Hands-On Opus Simulator based Fetal Brain Sonography with Prof. Gustavo Malinger.

The Scientific Exhibition Arena layout will be in a manner ensuring 100% footfall. It's the best ever time to reach out to target audience at a time when their interest is at its peak.

Participative logistics are :
